MONTANA CARES APP

It's not just an app. It's a network of support.

When students download the MT Cares app, they have immediate access to:

- ✓ 4,000+ trained counselors
- ✓ A library of self-help tools & resources
- ✓ A two-way anonymous communication channel
- ✓ 24/7 help center that monitors and assists with emergencies

MT Cares is user-friendly, easy-to-download, and is provided at no cost to students, families, and school employees.

GET RESOURCES
Contains self-help and wellness resources. Students can independently navigate and utilize the resources when needed.

CRISIS TEXT LINE
When away from the school building and experiencing painful emotions, students can click to immediately text with a professional counselor.

ASK FOR HELP
Allows students to chat anonymously with you or other trusted adults at the school. Our 24/7 Help Center monitors requests and provides assistance when needed.

MTPLC MEMBERSHIP PLANS

More support. More value. Stronger together.

Our membership plans are designed to help districts and schools save while investing in high-quality professional learning and support.
